

"WE MAKE THE DIFFERENCE"

DAYCARE/BOARDING DROP-OFF CHECKLIST

BEFORE DROPPING YOUR PET(S) OFF AT AMERICAN BOARDING KENNELS FOR DOGGY DAYCARE OR BOARDING, BE SURE TO HAVE THE FOLLOWING:

FOOD

🐾 To ensure consistency in your pet's diet we request that pet owners bring their pet's food when their dog or cat boards with us. A consistent diet helps minimize upset tummies and promotes a sense of familiarity. Please bring your dog's or cat's food pre-measured per meal in zip lock baggies* labeled with your pet's first and last name. By providing pre-measured food we can assure you that your pet will receive the exact same amount of food she receives at home there by preventing over or underfeeding.

MEDICATIONS

🐾 All medication should be clearly labeled with your pet's name and dosage requirements. Feel free to include information on how best to administer your pet's medication. Knowing the best manner to provide your pet with their required medication will ensure that your pet receives their medication properly.

BEDDING

🐾 At ABK we want you pet to feel comfy and cozy when they settle in for the night. Personal bedding from home is always welcome. We have found that blankets and fleece snugglies work best as they can be washed in detergent and hot water and are not as susceptible to destruction – this is particularly important for our doggy guests. Foam beds and big bean bag like beds are difficult for us to properly wash and dry. For kitties, feel free to bring their round foam bed, blanket or snuggle sack.

TOYS

🐾 Please limit the amount of toys to 2 to 3 pieces. This does not include bedding or medication. Since some of our canine guests take advantage of down time by chewing enthusiastically, bring one good chew bone and keep the "most treasured toy" at home. Bring new toys or chew bones that will stimulate your pet's interest. By having a few toys to choose from we can rotate toys to pique your pet's interest and make their stay more enjoyable. Toys smaller than a tennis ball cannot be accepted. Our staff will take every precaution to ensure all toys and bedding are returned to you, but we cannot be responsible for lost or destroyed items.

VACCINATIONS

🐾 Your pet(s) vaccination records must be up-to-date before we are able to accept them for doggy daycare and/or boarding.

Required DOG vaccinations:

Rabies, Bordatella and Distemper

Required CAT vaccinations:

Rabies, Distemper and test negative for Feline Leukemia

Other small animals and bird boarding available.
\$9.00/day, Owner must provide own cage and food.
